Inflatable Gaskets

Inflatable Gaskets - WinerySeals offers 4 stock profiles of inflatable gaskets for variable capacity tanks, as well as custom profiles for a perfect fit. Each of our gaskets come with a hardware kit that includes nuts/washers and Schrader valve component parts.

If unsure of size or which product is perfect for you, please call us directly for assistance, custom sizes are available in most profiles.

Performance Series “U” Channel EPDM - Our domestic Performance are made from durable FDA EPDM material compounded and produced in the USA for lasting performance and quality. Each gasket comes with both standard barb fitting and Schrader valve inflation connection options. Typical lid groove dimensions for this profile are: 3/8” - 5/8” deep and 1” - 1 1/2” wide.

****Factory order minimums may be required ~ Please call for details****

Sanitary Stainless Components

Page 48

WinerySeals is excited to add Dixon Sanitary to its line of stainless-steel components. Dixon Sanitary is known for their extensive line of 304 and 316L stainless steel sanitary fittings, tubing, valves and pumps used in the food, dairy, beverage, cosmetic, pharmaceutical and industrial markets. Their valve line includes, ball, butterfly, check, seat, long stroke, mix proof, PMO, diaphragm and sampling. Other products include filters / strainers, instrumentation, sight glasses, tube hangers, cleaning and washdown accessories as well as sanitary pumps. Though we only show a small sampling here and on other pages (shown by the Dixon logo next to the product), visit www.wineryseals.com for a full Dixon product catalog and call 510.732.7010 for pricing and availability.
